

TABE Math Gains

Title 1 Hours:

- For students in SJ facilities, Title 1 hours maintained a non-linear relationship with TABE math gains. Those receiving over 73 hours averaged 1 grade gain more than those that received fewer hours.

CHANGES, Lacking Title 1 Hours:

- For students in SJ facilities that did not receive Title 1 hours, CHANGES hours in excess of 176 hours promoted nearly 1 grade level more in TABE math gains than in those that received less.

Title 1 Hours to Supplement Lab Hours:

- Students in ID facilities that received few computer lab hours exhibited nearly a 1 grade increase in TABE math gains after receiving more than 73 hours of Title 1 instruction over their peers.
- Additionally, those that received a moderate amount of computer lab hours also saw nearly a 1 grade increase in TABE math gains when they additionally received more than 73 hours of Title 1 instruction.
