## **SUPERINTENDENT DIRECTIVE**

---

**SUBJECT:** EMPLOYEE DRESS CODE AND GROOMING

**AUTHORITY:** Windham Board Policy (WBP)-03.02, “Windham School District Superintendent Responsibilities and Authority”

Reference: TDCJ Executive Directive PD-28, “Dress and Grooming Standards”

**APPLICABILITY:** Windham School District (WSD)

### **EMPLOYMENT AT-WILL CLAUSE:**

These guidelines **do not** constitute an employment contract or a guarantee of continued employment. The WSD reserves the right to change the provisions of these guidelines at any time.

Nothing in these guidelines and procedures limits the superintendent’s authority to establish or revise human resources policy. These guidelines and procedures are adopted to guide the internal operations of the WSD and **do not** create any legally enforceable interest or limit the superintendent’s authority to terminate a noncontract employee at will.

### **POLICY:**

While on duty, an employee of the WSD shall adhere to the acceptable standards of dress and grooming as set forth in this policy, as well as maintain a professional standard of cleanliness and personal hygiene.

### **DEFINITIONS:**

“Business Casual” is attire less formal in nature than professional attire, but remains appropriate for a professional office environment, such as sport jackets, slacks, dresses, blouses, polo shirts, and skirts. Clothing should be neat, clean, and should not present a ragged or unkept appearance.

“Extreme,” for the purposes of this policy with regard to dress and grooming, is defined as exceeding established norms for a professional workplace.

“Professional Attire” is attire considered to be appropriate in a professional workplace business setting, such as men’s and women’s suits, dresses, dress shirts, dress pants, ties, and scarves.

“Security Threat Group” (STG) is any group of offenders that the TDCJ determines poses a threat to the physical safety of other offenders, staff, or the public due to the organization and activities of the STG. Such a group shall be designated by the Security Threat Group Management Office (STGMO) and designation shall require the approval of the director of the Correctional Institutions Division (CID).

“Well-Groomed,” for the purposes of this policy with regard to hair, beards, mustaches, or sideburns, is defined as hair that is clean, neatly combed or brushed, does not present a ragged or unkempt appearance, and meets the guidelines established herein.

## **DISCUSSION**

Appropriate dress and grooming promote a professional image of the WSD and are essential for the safety of both staff and offenders.

Disciplinary action may be taken against an employee for violation of this policy in accordance with WBP-07.44, “Professional Standards of Conduct and Disciplinary Guidelines.”

## **PROCEDURES:**

Supervisors are responsible for administering and enforcing this directive.

### **I. General Provisions**

All employees of the WSD are required to dress in a clean and neat manner that is appropriate for the job being performed and to adhere to the grooming standards established herein.

Regardless of job assignment, any attire or body art, for example tattoos, of extreme design, revealing in nature, or conveying messages of a derogatory or offensive nature through language, logos, or symbols is prohibited. This includes signs or symbols of apparent membership in an STG or clique, as evidenced by tattoos or other signs or symbols of membership in such groups.

Employees are expected to maintain a professional standard of cleanliness and personal hygiene. Any fragrance or odor, including body odor, that is extreme or offensive is prohibited. Employees may have sensitivity or allergic reactions to fragrances and unpleasant odors; therefore, supervisors shall address any issues regarding sensitivity or allergic reactions to fragrances or unpleasant odors on a case-by-case basis.

Any extreme haircut style or color is prohibited.

## II. Education Employees

### A. Appropriate Attire

Employees may wear appropriate, neat, business casual attire. Such attire must be compatible with a classroom or office environment and not detract from the overall mission of the WSD or TDCJ. When the employee's job requires meeting members of the public sector or representing WSD at official functions, other than a training session in which business casual attire is the normal attire, employees should wear appropriate professional attire.

Female employees may wear sandals with straps that divide the toes along with a strap in back or across the sandal. Such sandals shall be professional in keeping with a business environment.

On Fridays, employees may wear jeans and a business casual shirt or blouse. Jeans shall be neat, clean, and in good repair, such as without holes, ragged edges, stains, or discolorations. Employees attending meetings representing WSD or who have contact with the public shall dress in professional or business casual attire, as appropriate. This policy is not intended to preclude employees who have incidental contact with the public from substituting jeans and a business casual shirt or blouse with supervisory approval. Incidental contact includes an employee who has contact with the public during their visit to an office or facility when the purpose of the public's visit is not to meet with the employee.

### B. Inappropriate Attire

Employees in positions with job duties that require **occasional** physical exertion may also be granted written authorization to complete a specified task on an as needed basis.

Any written modifications shall state the attire must be appropriate, neat, and compatible with a business environment.
