

Vision insurance

Vision benefits are an easy way for you and your dependents to maintain healthy vision and eyes. With State of Texas VisionSM, you can save money on eye exams and eyewear for yourself and your family with a small monthly premium and low copays. EyeMed Vision Care, LLC (EyeMed) is the administrator of State of Texas Vision.

State of Texas Vision covers an eye exam and includes an allowance for eyeglass frames or contact lenses once every plan year, as well as discounts for LASIK. The plan gives you an annual \$200 retail allowance to use toward either contact lenses OR eyeglass frames in the same plan year. For example, if you use your \$200 allowance to purchase contact lenses, you won't have an allowance for eyeglass frames for the remainder of the plan year.

Vision plan participants have access to EyeMed's INSIGHT network which includes independent, national and regional retailers and online providers. All allowances are retail; you're responsible for any charges in excess of the retail allowances, minus available discounts. Discounts are not funded benefits and may vary or change based on provider or manufacturer. Search the EyeMed provider network at member.eyemedvisioncare.com/stateoftexasvision.
