Academic and Career Advising Services

First Time in College Students

Institution: _____

Date: _____

Instructions: Complete this report by providing data for both Prison Education Program (PEP) and non-PEP first-time-in-college (FTIC) students for the reporting period. The purpose of this report is to compare the availability, utilization, and delivery of academic and career advising services provided to students participating in the Prison Education Program with those provided to students on the main campus.

Academic and Career Advising Services		
	PEP	**Non-PEP**
Number of FTIC Students		
Number of Advisors		
Student – Advisor Ratio		
% FTIC Receiving Advising Before First class Day*		
% FTIC Receiving Advising Within 12 Months*		
Average Advising Minutes Per Student in the First Year*		
Description of academic and career advising services provided to PEP students and comments on differences between services provided to PEP and non-PEP students:
